

Re-Registration of SIM

Re-Registration of SIM

- From 31st October, 2023, the ICTA (Registration of SIM) Regulations 2023 has come into force. All SIM holders in the Republic of Mauritius must re-register their SIM(s).
- All CHiLi Customers have to re-register their SIMs before 30th April 2024.
- The re-registration of SIMs can be done online through CHiLi website <https://ekyc.chili.mu> or CHiLi e-KYC App.
- Its very simple process and customers can re-register themselves.
- The re-registration can also be done in person at all the CHiLi Shops.
- Kindly Note- Failure to re-register SIMs by 30th April'2024 will lead to deactivation of SIM.

Re-Registration of SIM

Existing Customer- Mauritius Citizen

Re-Registration of SIM

For Mauritius Citizen please keep the following document ready

Existing Customer Re-Registration

CHiLi Dealer/Agent

Customer Authentication

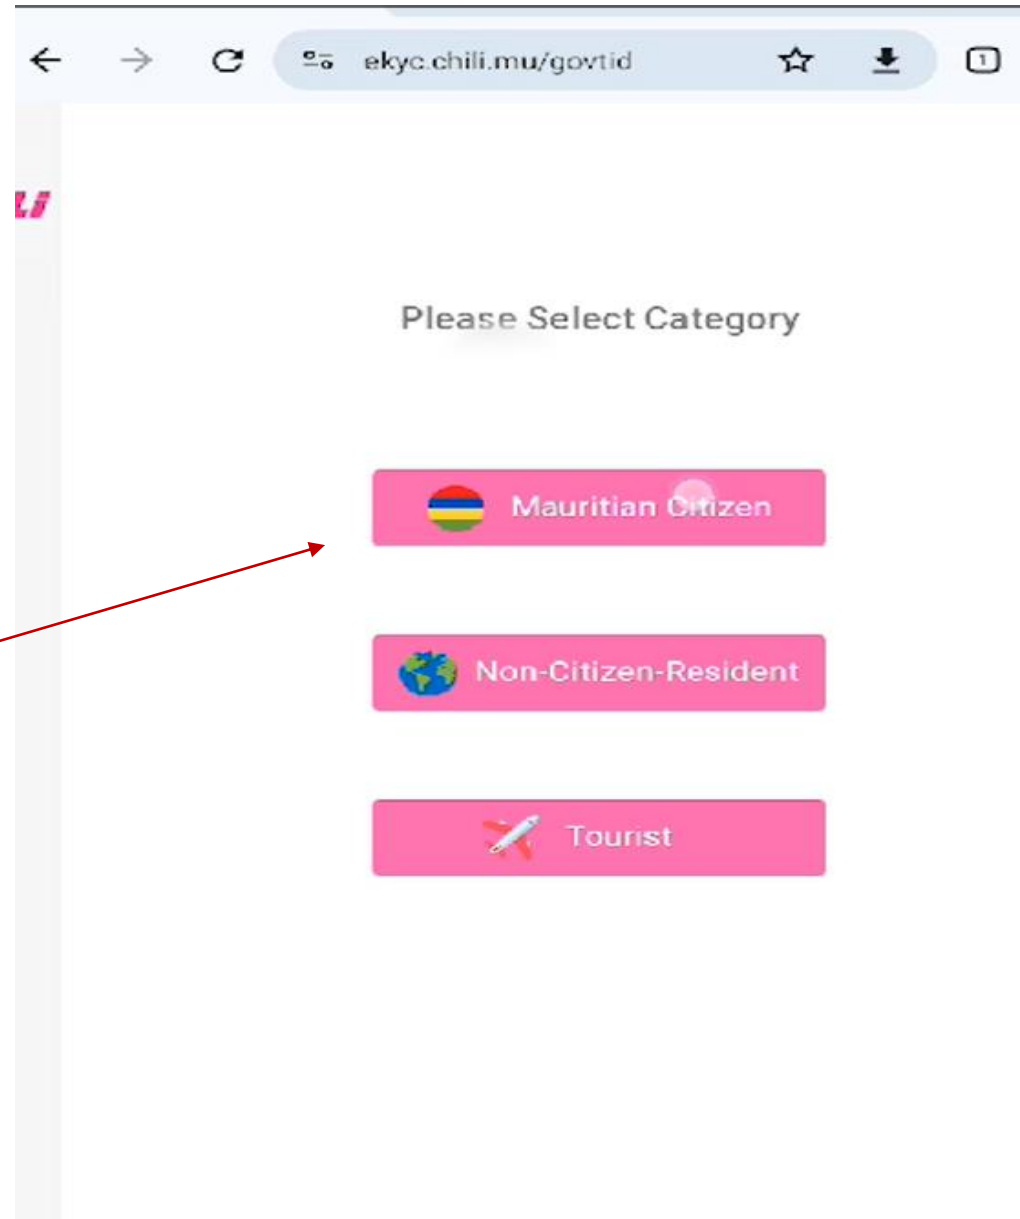

- Enter existing Chili number which you want to re-register as shown

- Then press send OTP
- Enter OTP and verify

The image shows a mobile application screen titled "Customer Authentication" in pink. Below the title, it says "Please login with OTP" in grey. There is a blue-outlined rectangular input field for the MSISDN. Inside the field, the text "MSISDN" is at the top, and "5961" is followed by a redacted area (indicated by a red scribble). A red arrow points from the left towards the input field. Below the input field are two pink buttons: "Send OTP" and "Back". A red arrow points from the bottom towards the "Send OTP" button.

- Select category based on your Citizenship Status.

- For Mauritian Resident Click

The screenshot shows a web browser window with the address bar displaying "ekyc.chili.mu/govtid". The page content includes a header with the "CHILI" logo and a main heading "Please Select Category". Below the heading are three pink buttons with rounded corners, each containing an icon and text: "Mauritian Citizen" (with a Mauritian flag icon), "Non-Citizen-Resident" (with a globe icon), and "Tourist" (with an airplane icon). A red arrow originates from the text "For Mauritian Resident Click" and points directly to the "Mauritian Citizen" button.

•Scan/Upload Identity

- Select type of ID
- In the scan window, adjust and place the camera such that the NIC/passport is properly scanned. Click Scan
- After scanning successfully Click proceed and go to next page
