<u>ECAs</u>	EKF, GIEK, K-Sure, NEXI, UKEF, Atradius
<u>Legal advisers</u>	White & Case, Baker McKenzie, Watson Farley & Williams, Lee & Li, Linklaters

The 589-MW offshore wind farm is the latest step in the ambitious offshore wind buildout in Taiwan, with a fixed feed in tariff with state-owned utility Taipower. It has the highest local content requirements among the offshore wind projects in Asia-Pacific to date and this is the first Taiwan offshore wind farm project to have equity participation by local insurance companies.

Telkom SA

2.3 billion rand loan (South Africa)

Mandated lead arrangers **ICBC, Standard Bank**

ECA **Sinosure**

In spite of South Africa's highly-developed financial markets, tenors beyond seven years in ZAR are difficult to obtain. Mobile operator Telkom wanted to match funding to the useful life of new 4G equipment being provided by Huawei, and the 10-year tenor was made possible by Sinosure providing its first ever insurance cover denominated in ZAR.

GREEN PROJECT OF THE YEAR
